MOoD FOoD & Drink Experience at BAaD

MOoD Food is a menu influenced by the diverse, rich cultures found in the East End of Glasgow and the Barrowland Market, an area of historical transient nature, welcoming people from a wealth of backgrounds - all with the goal of entrepreneurship, community and to get in a good MOoD.

The MOoD in our cooking has been nurtured in this cultural mix, and we've given it a contemporary approach. Dishes designed to share influences from Scottish classics, Irish dishes, Italian influences, Indian Spices, Catalan Flavours and other ingredients from around the world.

MOoD Food can be enjoyed in a number of spaces within BAaD and our team of chefs will be delighted to cater a menu for your event whether you are looking for a casual soup & sandwich, street food or a curated tasting menu.

All areas of BAaD, including outside, are fully licensed and we have 5 bars, we also have pop up bars available to hire.
